

Access Statement for Tides

Introduction

The property details provide you with details of on which floor the rooms will be found, how many bedrooms have en suite bathrooms, what width the beds are, etc. The following should be read in conjunction with the property details.

The information provided in this statement is intended to be as comprehensive as possible so that prospective occupants may make an informed decision as to the viability of this property for their purposes. However, since the information provided is sometimes the authors opinion and such matters as measurements cannot be relied on to be accurate to within 3 centimeters note that this access statement is for guidance only. Any information in this statement which is crucial for the purposes of your stay should be checked before proceeding with booking.

Pre-Arrival

- We are part of an agency and bookings / enquiries can be made via email, fax or phone
